INTRO: D

[D] I have come to know A **[Bm]** heart can love again **[G]** Even after true love has **[Asus]** passed into the **[A]** wind

There's **[D]** no need to explain **[Bm]** What you're going through `Cause not **[C]** long ago I **[Em]** lost an angel **[Asus-A**] too

I [G] know you miss him But I'll [D] love you different I [Em] won't replace him Or [D/F#] ask/want you to [G] forget [A] You'll never [G] love the same That's not for [Bm] me to change I know you [Em] miss him [Asus◆] But I'll love you [Dsus-D] different [Dsus-D] [Last time: Bm]

Even [D] as we let them go
[Bm] Part of them will stay
[G] Woven deep in-[Em]-to our lives
And [Asus] who we are [A] today
That's something [Asus] we can cele-[A]-brate

CHORUS

So **[C]** let me wipe your **[G]** tears away my **[Dsus-D]** beautiful friend **[C]** I believe they'd **[Em]** tell us It's **[Asus]** ok to love **[A**] again

CHORUS – 1st half broken down
